

GPC Small Groups

Life is not meant to be lived alone. In fact, God hates loneliness. You were created to experience life with other people, and that's why we encourage you to get into a small group.

A small group is a group of three or more people who gather each week in a home, workplace, or online. You will hang out, study the Word, and pray together. They come in all shapes and sizes — men, women, couples, kids, no kids, under 20, over 40 — the list goes on. No matter where you are in life, there's a group for you.

We are committed to moving you one step closer to where God wants you to be. You'll never fully experience all that Grace Pointe has to offer until you connect in a small group. If you are longing for more from your walk with Christ, then it's time to get involved in one this semester.

The Summit (7th-12th grade)

At Summit each student is considered part of the family. Whether you've been coming for years or it's your first time we want you to feel at home! Our journey in life has its ups and downs (especially during High School) and at Summit we want to walk with you through each of those seasons!

If you're in 7th-12th grade The Summit is for you. Maybe you're not really into the "church" thing. That's ok, too. Just come and check it out. The Summit is a place created specifically for teenagers. If you're not in 7th grade, you'll have to wait. But don't worry; we're not going anywhere, and we are only gonna get better. So relax, we will see you soon! **#Relationships #Biblical Knowledge #Devotional Life**
